Subject: Penalty for antitrust activity

Dear Sir or Madam:

I, as a user of Microsoft products, to the exclusion of virtually all other competing software, feel your chosen penalties are NOT nearly harsh enough. This company will never stop its predatory practices when left whole. They may not stop if split into several pieces, but coordination would be more difficult. I strongly ask that you reconsider your decision. I own no Microsoft stock, do not and have not worked for Microsoft or any cooperating or competing company, and have no interest in this issue beyond the fact that I am forced by Microsoft to use their products. Thank you.
